**香港人權資訊中心發表報告
關注港府侵犯人權阻撓市民悼念六四
以「帶走」為名強行剝奪人身自由
違反本地法律及國際標準**

六四事件 34 周年，香港市民本應可以行使法律所保障的言論自由及集會權利，和平地悼念死難者和表達自己的意見。不過，香港政府如臨大敵，派出大批警力於各區監察市民及阻撓悼念活動，其嚴厲程度屬前所未見。

香港人權資訊中心今天發表六四 34 周年報告。報告內容是根據公開資料，整理及研究政府在六四當天和前後日子的相關行動，並附以詳細的法律分析。報告顯示，除了舊有手段外，警方今年還採取了不少新策略以阻止市民公開悼念，其行動嚴重侵犯市民的集會及表達自由，違反本地法律及國際人權標準，部份行動更是完全欠缺法律基礎。香港政府正以國家安全為由，嚴密地監控和限制香港市民的權利及自由。

Press Release

From: Hong Kong Centre for Human Rights

Date: 15 June 2023

Hong Kong Centre for Human Rights Publishes A Report Showing How HK Government Committed Human Rights Violations by Interfering with Commemoration Restricting Personal Liberty And Defying Local Laws and International Standards

June 4 of this year marks the 34th anniversary of the Tiananmen Square Massacre. Hong Kong people should have been able to exercise their constitutionally protected rights to freedom of speech and assembly to mourn the victims and express their views in a peaceful manner. However, the Hong Kong government deployed a large number of police officers to heavy-handedly surveil the people and interfere with the commemoration activities in various districts. The extent of severity and asperity was unprecedented.

Today, Hong Kong Centre for Human Rights publishes the Report of the 34th Anniversary of the Tiananmen Square Massacre. Based on public information, this report has compiled and studied in detail the events that took place before, on and after June 4, which also includes an in-depth legal analysis. We discovered a worrying trend that the Hong Kong government has adopted a number of new strategies which lack a solid legal basis. Its actions in a number of areas have clearly infringed basic rights of individual citizens, and violated local laws as well as international human rights standards.
